

DECLARATION OF REACH COMPLIANCE STATEMENT

REACH concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (EC1907/2006) has entered into force on 1 June 2007, and will be phased in until 2018.

As of 16 June 2014, the ECHA had identified 155 “ candidate” Substances of Very High Concern (SVHC). It is anticipated that substances used in our products will be registered by raw material manufacturers within our supply chain. Based on our vendor supplied analyses, we declare that all power cords manufactured by Ningbo Yunhuan Electric Group Co.,Ltd. and their packaging do not contain any of these SVHC’ s in any concentration above 0.1%.
